A Case of Treasure Trove Tried in the Temple of Justice Yesterday.

PLENTY OF LEGAL BUSINESS JUST NOW

A large number of remonstrances against the granting of liquor licenses were filed in the Clerk of Courts office yesterday. Forty remonstrances were received from four wards in the city of Pittsburg-the Eightcenth, Nineteenth, Twenty-first and Thirty-

In the Eighteenth ward but one remonstrance was received, and that against Peter Miller, of Butler street extension. The paper Miller, of Butier street extension. The paper is signed by 50 persons, and sets forth that "the applicant habitually violated the law during the time he has had license, by selling liquor on Sunday, and since the last time he was refused a license he has peddled and sold beer in bottles from a wagon throughout the community of the Eighteenth ward.

Remonstrances were filed against 18 applicants in the Nineteenth ward. They were all general remonstrances alleging that the houses for which licenses are applied are "not a necessity," and that the applicants are "unfit persons to engage in the business." The following are the persons remonstrated against, the figures given after the applicant's location indicating the number of signers to his remonstrance:

The remonstrances against John A. Miller and Bertha Heinz were accompanied with a diagram of the block in which their places are located, which shows that two other saloons are in the same square, and the applicants are but a square from the Lincoln schoolhouse. In the Thirty-sixth ward five of the applicants are remonstrated against any of them. They ants are remonstrated against in a general way, nothing special against any of them. They are: Morris Gibausky, 185 Main street, 58; Jonathan Hay, 209 Main street, 70; George Kilmer, 180 Main street: Charles Turnblacer, 124 Wabash avenue, 68; Charles Sellers, 172 Main, 55; William Gundlefinger, 113 Steuben street, 68.

TEMPTATION FOR THEOLOGY. Only two wards in Allegheny were heard from the Second and Sixth. The officers of the Theological Seminary sent in a special remonstrance against Adam Heyl, of 18 and 22 Buena Vista street. The paper sets forth that in the educational institution is assembled a large number of young men, and in the judgment of the remonstratus the establishment of drinking places in the vicinity will be casting a needless and possibly hurtful remptation in their way. There was also a general remonstrance filed against William Heyl, signed by 5i residents of the Second ward.

Remonstrances are filed against 11 of the applicants of the Sixth ward. They are: Barbara Herzeuroder, 155 Washington avenue, 25; Sonhin Braun, 25 Chartlers street, 31; Theresa Heyl, 113 Juniata street, 25: Charles Kraucher,

The remonstrances came in from the boroughs with, a rush, with McKeesport in the lead. Papers were filed against 46 applicants of this borough. They are general remonstrances, gotten up mostly by the W. C. T. U. people. The reason generally assigned is that they are not necessary for the accommodation of the public and entertainment of strangers or travelers. Following are the names of and the number of signers against the applicants:

BOROUGHS AND TOWNSHIPS,

Braddock came in for a good share of remonstrances. One paper signed by 19 persons states that the saloon of John N. Walters, in he First ward, is located on the Baltimore and Ohio Railroad, and that several persons in an Ohio Railroad, and that several persons in an intoxicated condition have been killed in the vicinity of it. The remonstrance against Owen O'Neil, of the same ward, signed by 15 people, state that there are six liquor houses in that ward now, and that Mr. O'Neil is but one of the seven new applicants. A paper, bearing 20 signatures, against Martin McNally states that his place is also on the railroad and that people have been killed near his place while under the influence of liquor. The others against whom remonstrances are filed, are:

First ward—John A. Hand, 2s; Luke Gordon, 20; Alex Ellis, 20; W. M. Britt, 19; Daniel Gallagher, 29; Joseph Love, 17; Michael Quirck, 16; F. F. Murray, 17; James F. Ward, 16; T. D. Cort, 20.

Becond ward—E. F. Kelly, 55; Thomas Cox, 55; John Costello, 61; William Ketterer, 40; James Quinn, 40; Helena Zimmerman, 40; F. R. Darigreer, 40; J. T. Morrow, 40. James Quinn, 40; Helena Zimmerman, 40; F. R. Darigreer, 46; J. T. Morrow, 40.

There were remenstrances against 13 applicants from Chartiers berongh, as follows: Henry Hanna, 30: D. Latz & Son, 31; Jacob Roppel, 30; Julius Gottfried, 31: Morgan Thomas, 50: Michael O'Koefe, 50; Adam Nusser, 51; Joseph Paul, 48; M. D. Silkknitter, 51: Emil Grimm, 31; Patrick Connors, 51, and Joseph Adams, 48.

Eleven remonstrances were filed against Millvale borough applicants. They were: Jacob Lichtinger, 43: Anton Schneiderlochner, 43; Samuel Young, 100; Jacob H. Wakker, 100; Henry Wagner, 100; Mary C. Reder, 100; Joseph Miller, 100; J. W. Oesterling, 70, and Adam Maurer, 70.

Five applicants from Verona borough are remonstrated against. They are: Henry Berg, 70; Henry Elkins, 97; Samuel Ritter, 78; Fred B. Voltz, 78; Alex Mader, 77.

The remonstrances from the townships were

78; Henry Elkins, 97; Samuel Ritter, 78; Fred B. Voltz, 78; Alex. Mader, 77.

The remonstrances from the townships were even greater in numbers and of a more damaging character to the applicants than those from the boroughs. There seems to have been a special effort made in Harrison township against the applicants for licease. The Women's Christian Temperance Union and the Law and Order Society send in a general remonstrance against all the applicants in the township. Then there are special remonstrances against 13 of the applicants. The papers, after setting forth the reasons why liceases should not be granted, invite the Court to consider the character of the remonstrants and petitioners, and earnestly insist on the ground of superiority of the number and character of the remonstrants to that of the petitioners, that the liceases should be refused.

Remonstrances were also filed against petitioners in the townships of Stowe, Shaler, Chartiers and North Versailles.

and they consider him a proper and safe man to be intrusted with a license.

An additional petition was filed in support of the application of John D. Hughes, of Forty-fifth and Butler streets, and is accompanied by a number of business men of Lawrenceville, who give Mr. Hughes a very good name.

FINDERS, KEEPERS. The Familiar Rule Reversed Yesterday in

the Courts. A peculiar case was tried yesterday before Judge Collier. It was that of John Warren, administrator of George W. Warren, deceased, against John Ulrich, to recover a treasure trove. A number of years ago George W. Warren kept a tavern on the Perrysville road, near the Allegheny county line. He would hide his money in out-of-the-way places, where he thought it safer than in bank. After his death the tavern was purchased by John Ulrich, who ran it for several years and who still keeps it. About a year ago Ulrich hired a German to clean out a vault for him. While at work, the man discovered a package concealed in a niche

clean out a vault for him. While at work, the man discovered a package concealed in a niche in the side of the well. Upon opening it he found it to be greenbacks, the whole amounting to about \$700. He made known the discovery to Ulrich, and gave to him \$320, keeping the balance. When the heirs of Warren learned of this they demanded the money, which was refused, and the administrator entered suit against Ulrich for what was in his possession.

possession.

The case was contested closely yesterday, W. K. Shiras and C. C. Dickey appearing for the plaintiffs and J. S. Ferguson for Ulrich. The only witnesses examined were on the peculiarities of old Mr. Warren to show that he was in the habit of concealing money in that way and that in all probability this money was his. Ulrich contended that this was not proof of ownership and that the money was his until it was clearly proven who was the rightful owner. A verdict was rendered for the plaintiff for the amount in dispute, \$320.

KNOCKED INTO THE FIRE. Litigation Growing Out of the Late Mu-

nicipal Elections. David Biair yesterday entered suit against Patrick F. Dunn for \$10,000 damages. A capias was issued for the arrest of Dunn. Both men are residents of and voters in the Second pre-cinct of the Sixth ward. Blair states that last election he was a supporter of Thomas Mc-Michaels for Select Council, while Dunn was Michaels for Select Council, while Dunn was for J. L. Williams. Blair had been engaged to work at the polis for McMichaels, and Dunn was there in the interest of Williams.

Blair was standing a few feet from the polling window, just before noon, talking to a voter. Dunn, without any provocation, he claims, came up to him and assaulted him, striking him in the face and knocking him down. As Blair was standing with his back toward a huge bonfire, as a natural consequence when he fell it was into the fire. Some friends pulled him out of the fire, but not before he was severely burned.

Petitioner's husband, William H. Phillips, by his

tioner's husband, William H. Phillips, by his will, left Mrs. Phillips the mansion house, and stipulated that she should have her living out of the farm.

A great mass of testimony was taken. The plaintiff claimed about twice what the defendants' witnesses testified was necessary to the maintenance of a woman in ordinary life, and there was generally a vast amount of discrepancy in the views taken. J. G. Bryant, Esq., appeared for the petitioner, and J. H. White, Esq., for the defense.

Grand Jury Findings.

The grand jury, yesterday, returned another true bill against Mary M. McMinamien for fortune-telling. Mrs. McMinamien was convicted last week before Judge White, of the same offense and upon her making a statement in court, denouncing the action of several per-sons who sued her, then settled the case and

He says that the most that could be claimed for the evidence offered by the contestants was that Burke, when he executed the will, was old, infirm and somewhat childish, but this would not make out a case of testamentary in-capacity. This gives the whole estate to Will-iam Burke, Jr.

The Philadelphia Company yesterday en-tered suit against Park Bros. & Co., to recover tered suit against Park Bros. & Co., to recover \$6,199 of a gas bill. They supply the defend-ants' mill with gas for fuel and formerly al-lowed them gas free for lighting purposes. In January, 1888, they notified them that they would charge them for the gas used for light-ing. They have never paid, and the suit is brought for the gas burned from January 3, 1888, to November, 1888.

A Word About Catarrh.

"It is the mucous membrane, that wonderful semi-fluid envelope surrounding the delicate tissues of the air and food passages, that Catarrh makes its stronghold. Once established, it eats into the very vitals, and renders life but a long-drawn breath of misery and disease, dulling the sense of hearing, trammelling the power of space of destroying the faculty. power of speech, destroying the faculty of smell, tainting the breath, and killing the refined pleasures of taste. Insidiously, creeping on from a simple cold in the head, it assaults the membranous lining and envelopes the bones, eating through the delicate coats and causing inflammation, sloughing and death. Nothing short of total eradication will secure health to short of total eradication will secure health to the patient, and all alleviatives are simply procrastinated sufferings, leading to a fatal termination. Sanford's Radical Curr, by Inhalation and by Internal administration, has never failed; even when the disease has made frightful inroade on delicate constitutions, hearing, smell and taste have been recovered, and the disease thoroughly driven out."
Sanford's Radical Curre consists of one bottle of the Radical Curre, one box of Catarrhal Solvent, and one Improved Inhaler, neatly wrapped in one package, with full directions; price, \$100.

MRS. DR. CROSSLEY. One of the Consulting Physicians of the Catarrh and Dyspepsia Institute

at 22 Ninth street.

Mr. James Critchlow, residing on Carnegie street, this city, has for 15 years undergone terrible suffering from his stomach. At times it would give him such pain that he could only live on lime water and milk. He had great distress and bloating after eating, with belching of gas. His liver also gave him much pain, and his tongue had a yellow coating. He had a pressure and pain over the eyes. He lost all ambition and kept getting worse until he was unable to do any work. One doctor said he had cancer of the stomach. After trying Il doctors all to no purpose, he began treatment with the physicians of the Catarrh and Dyepepsia Institute, and although 67 years old, he now works every day and feels well and hearty. He says: "That I am cured of the above conditions I hereby sign my name.

KAUFMANNS' NEWS OF THE HOUR.

The triumph of our Cloak Department is complete. Though we've won the ladies to our side on the cloak question many moons ago, we have never captivated their hearts as thoroughly as right now with our Grand Spring Opening Sale of Beaded and Plain Wraps, Jackets, Jerseys, Long Garments, Beaded Shoulder Capes and Fichus, Shawls, etc. Such a bewildering variety of fine and fashionable garments and such wondrously low prices are nothing short of a revelation to the fair sex and a revolution of the Cloak business of this city. Our Special Grand Opening bargains will be in force during the balance of this week, and every lady who has an eye for beauty, elegance, style and economy should see them.

And, now, let's step into the realms of Youth—our Boys' depart-ment. You'll find it radiant with the best and latest styles of spring Clothing. We know the wants of Young America to perfection, and our stock expresses our knowledge. To begin with, the materials from which our Boys' Clothing is made have been selected with a special view to resist the roughest and hardest wear, the seams won't rip, the buttons won't come off; so much for quality. As to prices: they are the very lowest consistent with honest goods and honest workmanship; this'll catch the boys' parents. You can easily see that we can please all in quest of Boys' good and cheap Clothing, whether kilt, short or long pant Suits. Mothers of boys, we expect

Now, a few words to the gentlemen. Have you bought your spring Overcoat yet? If you haven't, and are willing to save a few dollars give us a call. Our variety of spring Overcoats is immense. You can take your choice from cassimeres, corkscrews, cheviots, diagonals, wide wales, meltons, crepes, venetians, covert cloths, etc. Spring Overcoats in these materials come in an endless diversity of new shades and colors, and are cut in the latest medium, long and short English top styles. Concerning our prices: they are low enough for anybody. To illustrate, take our beautiful Melton Overcoats at \$7; our magnificent Cheviot Spring Top Coats at \$10; our elegant French Corkscrew Top Coats at \$12; our gorgeous Venetian Top Coats at \$15; our English Covert Cloth Top Coats at \$18; our fine English Wide Wale Top Coats at \$20. These garments are fully equal to first-class custom work, and are infinitely superior to the ready-made garments sold elsewhere at far above our prices.

A short Hat chat would be quite interesting to most gentlemen right now, at the eve of the spring season. We want you to know that our new spring stock exceeds in size, excels in beauty and outrivals in cheapness anything of the kind ever known in this city. We now show all the latest styles of the most celebrated American and foreign Hat manufacturers. The new Knox shapes Silk Hats can be found in our stock; we have the Youman, Dunlap and Miller shapes of Stiff Hats in various fashionable colors, and there isn't a new style of a soft, traveling or crush hat that we can't show. But the greatest point in our favors are the low prices we name. The large business we do makes it possible for us to buy our Hats for less money and sell them at a smaller profit than any other house in Pittsburg. And the more our trade increases, the cheaper we can afford to sell. This season we'll name the lowest prices yet.

DO YOU GET YOUR CLOTHES MADE TO ORDER?

Our Custom Tailoring Department is ready to serve you. The largest assortment ever seen here of Fine Imported Suitings and Trouserings; the most skillful cutters and the best tailors are at your disposal. And, remember this: You'll find NO WAR PRICES here. Goods Suits to order at \$25, \$30 and \$35; finest at \$40 and \$45. Come and see us.
